

# Global Misoprostol Registration by Indication

This registration map is prepared by Venture Strategies Innovations (VSI) and reflects the organization's most current knowledge of regulatory approvals of misoprostol for women's health globally. For further information visit [www.vsinnovations.org](http://www.vsinnovations.org), or to share updated misoprostol registration information with VSI, contact [comm@vsinnovations.org](mailto:comm@vsinnovations.org).
